

SEIEMEZZO

SCR

From the excellence of Moto Morini comes a motorcycle that is fun, reliable and always ready to make your rides more exciting than the last. The SCR version of the SEIEMMEZZO perfectly reflects the motorcycle tradition of Moto Morini. Not only is it an elegant motorcycle with incredible details, but also capable of bringing your enthusiasm to life. It is the perfect combination of ideas, insights and designs that will deliver excitement, style and Italian elegance.

TIMELESS STYLE

Moto Morini focuses on the beauty of the original, elegant design. The new SEIEMMEZZO version SCR has a glamorous, eye-catching and distinctive look. The proportionate seat, attractive lines of the fuel tank, wide handlebars that sit away from the rider, elegance and class and the use of vintage accessories are all details designed to create the perfect balance.

ADVANCED TECHNOLOGY

Where tradition meets innovation, the new SEIEMMEZZO find the perfect combination for achieving its full potential. It integrates the most innovative solutions in terms of connectivity with digital devices for the needs of the rider and to ensure comfort and convenience in any situation.

SEIEMMEZZO

SEIEMEZZO

STR

This motorcycle is dedicated to all naked bike lovers. The new SEIEMMEZZO version STR was created from the historical excellence of the Moto Morini brand, which always has an eye to the future. This future focuses on the exclusivity of Italian creativity and the Italian experience. It's the perfect mix of performance, efficiency and beauty. Every detail aims to create a coherent language, a rational construction that blends elegance and sophistication with sport. The latest creation from Moto Morini brings to life the desires of today's motorcyclists, who are always seeking experiences that are both adrenaline-charged and comfortable.

BEAUTY AND COMFORT

The design of the new SEIMMEZZO STR reflects the youthful and sporty nature of naked bike lovers. This is emphasized by the bike's clean and harmonious, eye-catching and avant-garde lines, which also has a dynamic, precise and authentic riding style.

ATTENTION TO DETAIL

Contemporary style and the latest technology come together to create a unique and striking motorcycle. The quality of Moto Morini is evident in every detail, made with premium materials and designed entirely in Italy. It is the perfect combination of safety, sportiness, elegance and fun.
